

## 5TH ANNUAL FIRST RESPONDER APPRECIATION DAY

**Saturday, May 17th, 10am-2pm  
Mid-Cape Home Centers  
465 Route 134, South Dennis**

First responders are one of the most important parts of a community. They wake up each day and make a decision to risk their lives to protect each and every one of us. There is no community of people that deserve more gratitude than the individuals fighting crime, tragedy, nature and hatred, keeping us, our families and our friends safe.

Since 2018, Mid-Cape Home Centers has hosted a First Responders Appreciation Day. This, once annual, now bi-annual event was introduced after Sergeant Sean M. Gannon of the Yarmouth Police Department was tragically killed in the line of duty. This heartbreakening event that rocked our community to its' core, brought light to a subject that was not talked about often enough; the risks that come with being a first responder. As devastating as the loss of Sergeant Gannon was to his loved ones and our community, it brought us closer together and reminded us all that showing our gratitude for our first responders is imperative. After the Sean M. Gannon Memorial Fund was created to support local programs and organizations that align with the mission of promoting education, health, and leadership by encouraging service through action, Mid-Cape decided we wanted to help that mission.

This years' 5th Annual First Responder Appreciation Day will take place on Saturday, May 17th from 10am-2pm in our South Dennis Location's Transformed parking lot. All funds raised through both sponsorships and event activities will be allocated to the Sean M. Gannon Fund of the Cape Cod Foundation working to promote education, health, and leadership by encouraging service through action.

We hope you can see the need for this as much as we can and will consider helping us through sponsorship or donation for this truly deserving cause.

## *Big Rigs and Fire Trucks and Bulldozers, Oh My!*

Mid-Cape's Annual First Responder Appreciation Day is an exciting day for our little ones. We love seeing their faces light up when they get to climb into one of their heroes Fire Trucks or their invincibility when hopping into a bulldozer. That is why we ask our community to come together and donate their impressive trucks/ equipment and time. Great opportunity for business exposure!
